## WE LOVE A GOOD CHALLENGE

Nursing home staff turnover rates have increased every year since 2020 and staffing shortages are at an all time high. Employment is 10.5% below even pre-pandemic levels and this is compared to 3.3% for hospitals and 1.6% for physician offices.

Whether you are a seasoned operator, or new to the game, ELITE is here to make your life easier by ensuring your home is fully staffed, morale is high and turnover is low. Our dedicated team integrates seamlessly with yours, crafting tailored solutions to boost interview numbers, increase job acceptance rates and retain your staff. With our support, you can improve the quality of care for your residents and reduce the stress and frustration of constant turnover.
